

## Payment Options - These Are The Only Payment Methods We Accept

**Option 1.** Bank Cashier's Check or Bank Money Order.

**Option 2.** Bank Wire Transfer. A \$10 additional fee applies to this method of payment. You must add \$10 to the total amount you are wiring to us as our bank charges us this fee. Call us for wire transfer instructions.

**Important: Once your wire is complete, you must email (support@insurevents.com) or fax us a copy of your wire transfer receipt. Failure to complete this final step will delay or prevent the issuance of your policy.**

**Option 3.** Company check only if there is time to place a 10 day hold on the issuance of your policy pending clearance of your check.

**Or Option 4.** Credit Card, but only online at our website (www.insurevents.com/pay.htm).

### FOR CREDIT CARD ORDERS ONLY - YOU MUST DO STEPS A AND B. YOU MUST DO BOTH!

**A.** Go to www.insurevents.com/pay and follow the instructions to process your payment online.

**B.** Complete, sign and return (via fax or scan & email to support@insurevents.com) the authorization information below.

**Your policy can't be issued until we receive the authorization.**

**I understand once this charge is made against my credit card, it can not be refunded, even if my event is cancelled for ANY reason. Therefore, make certain your event arrangements are complete and certain before you pay your premium.**

I authorize Event Insurance Services, Inc. DBA: insurevents.com, to charge my premium payment (and any future payments with my written authorization) on the credit card I used to make my online payment and which is indicated below.
